

## COVID-19 Golf Operations

Golf Competition Events will continue with the following changes, to enable golf to be played under COVID-19 conditions:

- **Players on the course must adhere to 'social distancing' principles. Any member found in contravention of 'social distancing' may be suspended under the Club's *Code of Conduct*.**
- Single use of golf cart only.
- Normal Tee times will change and will be in 10 minutes intervals to minimise the number of players in the Pro Shop during payment of comp & green fees and on the 1<sup>st</sup> tee and practice green.
- From 30 March 2020 payments in the Pro Shop will be cashless, tap-and-go only.
- Players mark their own cards, but the card must be verified by their marker.
- Score cards will be returned to the card box at the front of the Club Office.
- Players are to avoid unnecessary contact by leaving the green pins in. On the greens, the holes have been reduced in depth to allow for easy recovery of golf balls.
- Preferred lies will apply in all Bunkers as rakes have been removed (Place ball within one club length).
- Prize vouchers will be available at the office on golf event days.
- Ladies Birdie and Gobbler entries should be noted on their score cards.
- Tee Bookings will be online or via telephone (office when open or Pro Shop).
- Tee Bookings will be open 1 week prior to week-day events at 06:00.
- Tee Bookings for Saturday events will be open on Fridays 1 week and 1 day prior to the event at 17:00.
